Reference Number: [EPUT.FOI.24.3727](#)

Date Received: 11/09/2024

Information Requested:

I would like to know, for each year from 2021-2023 inclusive, [whether calendar or financial, depending on how these figures are collected], please provide the total number of women who used maternity services at your trust (to include antenatal care, labour and birth, and post-natal care.)

Please also provide the total trust budget for maternity services (to include antenatal care, labour and birth, and post-natal care) per year, and detail what percentage of total trust spending this accounts for. Please break the figures out by year. Please also break out these figures by specific maternity service, ie. antenatal care, labour and birth, and post-natal care.

We regret to inform you that the Trust does not hold the information requested, As EPUT does not provide this service as they are delivered by acute hospital Trusts.
