

## Freedom of Information Request

---

**Reference Number:** EPUT.FOI.24.3732

**Date Received:** 13/09/2024

---

### Information Requested:

- The company names of external contractors currently contracted to provide services in your NHS trust.
- A description of the services provided by these external contractors to your NHS trust.
- The number of staff working for each external contractor at the NHS trust.
- The monetary value of each contract held per annum in GBP broken down by the name of contractor.
- The date which the contracts held between the trust and each external contractor began and are due to expire.
- Whether each external contractor implements NHS Agenda for Change pay awards for their staff working at the NHS trust.

**Clarification:** What I'm interested in is where the Trust has outsourced parts of a service to a private provider that requires workers on site regularly - for example, companies providing 'estate' services (cleaning, catering, etc) - or any other service which request which requires workers to be on site on a long term basis

**Response:** EPUT does not have any large outsourced services such as catering, cleaning, security, etc where staff would be working on our sites every day.
