- [Transportation](#)
- [Ecology](#)
- [Boundary](#)
- [Land use](#)

8. Please share your planned procurement pipeline for surveying and geospatial works for the next 12 months

No Works anticipated

9. How do you engage with potential new suppliers—through open tenders, direct engagement, or supplier days?

Through open tenders

10. Please can you confirm the individual responsible for managing your surveying and geospatial contracts or wider development contracts and provide their contact details and role title.

Associate Director of Property and Capital

Contact would be through the Estates and facilities department

11. Please provide a list of frameworks that you procure related services through

- London procurement partnership
- East of England collaborative procurement hub
- NHS Commercial Solutions

12. Do you plan to repurpose any sites for renewable energy or solar farms?

Very unlikely.

13. Do you have any issues with subsidence in your properties? If so, where?

Not at present

14. When developing/purchasing/selling a site, how do you verify that the boundaries are correct?

All Trust properties are registered and to ensure the footprint is correct the Trust would make an application for a 'determined boundary'
